THE OPPORTUNITY

EDIT seeks proposals from creators working across all disciplines and artistic practices, including but not limited to workshops, talks, and performances. EDIT is providing an unparalleled opportunity for the public to consider how design, innovation and technology is the lens for examining, questioning and ultimately solving the big challenges we are facing today.

WHAT IS EDIT?

EDIT is an unprecedented, 10-day international design festival that explores how design, innovation and technology can address today’s global issues and envision a world where all people prosper. In partnership with the United Nations Development Programme, Design Exchange will produce an immersive event that educates and engages some 100,000 visitors about inspiring solutions for the 17 Global Goals for Sustainable Development. Launched in 2015, the Global Goals is an ambitious campaign that challenges nations and citizens to come together to end extreme poverty, inequality and climate change by 2030. With chief curator Bruce Mau and co-curators Carlo Ratti, Jamie Oliver Food Foundation, and Kentaro Toyama, EDIT will present a range of bold and dynamic programming within the main theme – Prosperity For All – and subthemes Care, Educate, Nourish and Shelter/Cities.
YOUR PROPOSAL SHOULD CONSIDER THE FOUR SUB-THEMES AND HOW YOUR PROGRAM WILL CONTRIBUTE TO DISCOURSE AND ACTION AROUND PROSPERITY FOR ALL. THERE ARE NUMEROUS WAYS TO PARTICIPATE:

THE EXCHANGE

There will be four Exchanges at EDIT. Each Exchange will be located amongst the existing programming in Care, Educate, Nourish and Shelter/Cities. These spaces are meant for audience engagement and interaction of all ages, and are available for, but not limited to workshops, charrettes, presentations, performances, and installations. We invite community and arts organizations to contribute ideas for animating the Exchanges.

KIDS PROGRAMS

EDIT will feature kids programming throughout, as well as dedicated events and activities during Youth Day. We invite programming partners engaged with youth to submit ideas for inspiring, educating, and entertaining young patrons from ages 12 to 18.
