Student Presentation Sponsorship

Presented by:

Royal Architectural Institute of Canada (RAIC)

Event:

RAIC Student Presentation in Schools of Architecture

Target Audience:

Undergraduate & Master's Students in Architecture

Location:

12 Accredited Schools of Architecture across Canada

Overview

The RAIC invites architectural firms and industry organizations to sponsor a **student presentation** at an accredited School of Architecture in Canada. Each year, RAIC staff and a member representative visit the schools to introduce students to the benefits of a **free RAIC membership** and its role in supporting their academic and professional growth.

This event provides a **valuable opportunity** for sponsors to engage with emerging professionals in the industry and showcase their brand or career opportunities. One **exclusive sponsor per school** will be recognized at each event, ensuring visibility.

Why Sponsor?

Exclusive Visibility: Be the sole sponsor for one school, ensuring your firm stands out at the event.

Engage with Future Professionals in Architecture: Connect with undergraduate and master's students who are eager to learn about career opportunities and the industry.

Support the RAIC Community: Help shape the next generation of architectural professionals by encouraging student membership at the RAIC.

Flexible Participation: Attend the event in person or virtually and engage with students.

How to Sponsor
